When the Skin Seems Ablaze With Itching and Burning

There's just one thing to do. If your skin seems ablaze with the fiery burning and itching of Eczema, real and lasting relief can only come from treatment that goes below the surface—that reaches down to the very source of the trouble. So-called skin-diseases come from a disordered condition of the blood, and search far and near, and you cannot find a blood remedy that approaches S.S.S. for real efficiency. the proper treatment is through the blood. S.S.S. has been on the market for fifty years, during which time it has been giving uniform satisfaction for all manner of blood disorders. If you want prompt and lasting relief, you can rely upon S.S.S. For expert advice as to the treatment of your own individual case, write to-day to Chief Medical Adviser, Swift Specific Co., Dept. BIG SHOE BILLS NOT NECESSARY

"It looks as if I would not be able to wear out my shoes with Neolin Soles. They have been in service about a year, and are still good," writes W. C. Dickinson of New Haven, Conn. It is natural that shoes with Neolin Soles should wear a long time, for Neolin Soles give extra wear where most shoes wear out quickest.

These long-lasting soles are made by Science to be especially tough and durable—comfortable and waterproof, too. If you want to save money on shoes buy them with Neolin Soles. Good shoe stores carry them in many styles for men, women, and children. And you can have your old shoes re-bottomed with Neolin Soles at any repair shop.

Neolin Soles are made by The Good-year Tire & Rubber Co., Akron, Ohio, who also make Wingfoot Heels—guaranteed to outwear all other heels.

PIMPLY? WELL, DON'T BE!

People Notice It. Drive Them Off with Dr. Edwards' Olive Tablets

A pimply face will not embarrass you much longer if you get a package of Dr. Edwards' Olive Tablets. The skin should begin to clear after you have taken the tablets a few nights.

Cleanse the blood, the bowels and the liver with Dr. Edwards' Olive Tablets, the successful substitute for calomel; there's never any sickness or pain after taking them. Dr. Edwards' Olive Tablets do that which calomel does, and just as effectively, but their action is gentle and safe instead of severe and irritating.

No one who takes Olive Tablets is ever cursed with "a dark brown taste," a bad breath, a dull, listless, "no good" feeling, constipation, torpid liver, bad disposition or pimply face.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil; you will know them by their olive color.

Dr. Edwards spent years among patients afflicted with liver and bowel complaints, and Olive Tablets are the immensely effective result.

Take one or two nightly for a week. See how much better you feel and look. 10c and 25c per box. All druggists.

LITTLE FRENCHMAN PROVES A REAL HERO

Arthur Dupre, the little French lad, who came back from Europe with Lieut. Edwin Powell, perhaps saved the lives of two Richmond boys late last week while a patrol of the Boy Scouts were boating at Lake Reba. The skiff in which Ballard Luxon, Jr. and L. P. Evans, Jr., were paddling about in, capsized and the boys were thrown into the water. With their clothes water-soaked, they were in a precarious situation. Seeing their plight, Dupre peeled off his coat and shoes and dived after them. He caught young Luxon by the necktie, and helped Evans to shore and proved himself the hero of the situation.

AMERICAN CONSUL RELEASED

(By Associated Press)
Washington, May 5.—American Consul Roger Tredwell, arrested by the Bolsheviks last October has arrived in Stockholm. He advised the State Department today he was taken from Moscow to Finland three weeks ago and there released.

Tredwell reported he was first arrested in Turkestan in March, 1918, but was released with apologies. He was arrested again in October and held under guard.

Last February he was taken to prison, and given to understand he would be executed. The chief of police, however, released him, saying his imprisonment was an error. Previously the Bolsheviks offered to release himself if the American government would release Thomas J. Mooney and Eugene V. Debs. Both offers were refused.
